

Family Health Care of Ellensburg is now recruiting eligible subjects to participate in the

SPIRO

Clinical Research Study

DO YOU OR SOMEONE YOU KNOW SUFFER FROM ASTHMA?

You may be eligible to participate in the SPIRO research trial if you:

- Are 12 years of age or older
- Have had asthma for at least 1 year
- Have experienced (within the past year) a worsening of asthma symptoms that required a visit to a healthcare provider.

Participants may receive compensation for time and travel.
